## Maximum Reimbursement Rates

The upper limits foreseen in the Rules for Participation (Article 33) for the Community financial contribution are summarised in the following table.

	Non-profit public bodies, secondary and higher education establishments, research organisations and SMEs	All other organisations
Research and technological development activities	75%	50% <sup>5</sup>
Demonstration activities	50%	50%
Coordination and support actions	100%	100%
Management, audit certificates and other activities <sup>6</sup>	100%	100%

<sup>4</sup> As confirmed by Decision C(2009)4459 of 15 June 2009.

<sup>5</sup> For security related research and technological development activities, (Chapter 10 of this work programme) the Community financial contribution may reach a maximum of 75% in the case of the development of capabilities in domains with very limited market size and a risk of 'market failure' and for accelerated equipment development in response to new threats. Further information is given in Chapter 10.

<sup>6</sup> Including, inter alia training in actions that do not fall under the funding schemes for training and career development of researchers, coordination, networking and dissemination (as set out in Article 33(4) of the Rules for Participation).

**Characteristics of the projects:**

The general eligibility criteria are set out in Annex 2 of this work programme, and in the guide for applicants. Please note that the completeness criterion also includes that part B of the proposal shall be readable, accessible and printable.

- The procedure for prioritising proposals with equal scores is described in Annex 2 of the work programme.
- The evaluation will produce 3 ranked lists of proposals retained for funding with the corresponding reserve lists:
  - CP-FP (Level 1) and CSA-CA (coordinating)
  - CP-IP (Level 2)
  - CSA-SA (supporting)
- In the case of large scale integrated projects (CP-IP) and coordination and support actions –supporting (CSA-SA), a maximum of one proposal per topic will be retained for funding, except for topic AAT.2011.7-9 where more than one proposal could be retained.
